

ALLAN JUSTINE MASCARIÑAS

Purok-2 Tinangnan, Tubigon, Bohol

09512072888

labya31@gmail.com

OBJECTIVES

I am actively seeking employment within an organization that offers opportunities for professional growth. My aim is to continually enhance my skills, expand my knowledge, and gain valuable experience in a challenging work environment, contributing to both my personal development and the success of the organization.

TRAININGS AND EXPERIENCE

On-the-Job Training (OJT)

LGU Tubigon — Potohan, Tubigon, Bohol

2023 (486 hours)

- Supported day-to-day IT operations
- Assisted in maintaining computer hardware and software systems

Government Internship Program (GIP)

LGU Tubigon, IT Office — Potohan, Tubigon, Bohol

2023 (1 month)

- Assisted in basic IT support and documentation tasks
- Gained exposure to public sector digital processes

Web Developer

SMCT Group of Companies — J.A. Clarin St, Tagbilaran City, Bohol

2024 – 2026

- Full-stack development using Laravel, Next, React, and other modern web technologies
- Maintained and developed internal web systems for business operations
- Collaborated with the IT team to troubleshoot and deploy updates

SKILLS AND ABILITIES

Technical Skills

- **Frontend Development:** HTML, CSS, JavaScript, TypeScript, Bootstrap, Tailwind CSS, React.js, Next.js, Vue.js, and Livewire
- **Backend Development:** Laravel, NestJS, RESTful API development, API integration, and server-side application development
- **Full-Stack Development:** Experience building full-stack applications using Laravel with Blade or Livewire, Laravel with Inertia.js and React.js/Vue.js, and separate React.js/Next.js or Vue.js frontends integrated with Laravel or NestJS REST APIs
- **Authentication & API Security:** JWT authentication, Bearer Token authentication, Laravel Sanctum, OAuth 2.0, and social login integration
- **Real-Time Development:** Experience implementing real-time features using Laravel Reverb and WebSockets
- **Deployment & DevOps:** Basic knowledge of Docker, including container management, Docker commands, and basic application deployment
- **Version Control:** Basic knowledge of Git and GitHub
- **Hardware & Troubleshooting:** Understanding of computer hardware components, assembly/disassembly, and basic troubleshooting

Soft Skills

- Team-oriented and able to work collaboratively
- Willing and eager to learn new technologies
- Able to multi-task and adapt to changing priorities
- Can work well under pressure
- Flexible and open to feedback

Other Skills

- Familiar with Microsoft Word and basic office applications
